Asia Society's  
15th Asian  
Corporate Conference

In light of the Indian Ocean tsunami disaster, the Asia Society's 15th Asian Corporate Conference will serve as a forum for heads of state, government officials and business leaders from around the world to come together and focus on critical needs in the affected areas as well as regional and international cooperation in the reconstruction effort.

## SOUTHEAST ASIA RISING: A REGION BOOMING AMONG ASIA'S ECONOMIC GIANTS

**CONFIRMED OPENING KEYNOTE ADDRESS:**  
**H.E. Dr. Thaksin Shinawatra, Prime Minister of Thailand**

Thailand's economy remains one of the fastest growing economies in Asia, and its economic surge reflects broader positive developments across Southeast Asia. The 2005 Asian Corporate Conference will take the pulse of Southeast Asia and envision just how big a player the region will be in the global economy in the coming years. How will the proliferation of bilateral and multilateral trade agreements with Southeast Asia change the balance of trade in the region and in the world? As ASEAN nations become powerful trade partners in Asia, how will the roles of the U.S., India, and China in the region evolve?

Since 1989, the Asian Corporate Conference has attracted a combined audience of more than 12,000 participants from more than 26 countries.
